RE: Letter of Recommendation of Dan Lazar

To Whom It May Concern:

I have been asked by Mr. Dan Lazar to write this letter of recommendation and I am very happy to do so. I have known Mr. Lazar for the last three years as the Principal in the building in which he is employed. He currently serves as a teacher in our social studies department where he has taught a variety of preparations. Additionally he has served as our sponsor of the district's philosophy society.

During the three years that I haven known Mr. Lazar, I have evaluated his classroom instruction as well as dealt with him on numerous other issues. In my opinion, his interaction with students is positive and he relates well to adolescent students. Mr. Lazar has always been a cooperative individual who has been willing to do any task as well as offering to do many things.

I believe that Mr. Lazar has served this profession well and has developed an appropriate rapport with students and parents. Mr. Lazar is an educator who possesses the personal characteristics and professional ability to serve as a teacher in any district. I believe that he has a self-discipline, work ethic, and cooperative spirit that is a credit to his personal and professional development.

I give Dan Lazar my full support and best wishes in his pursuit of a teaching position in his discipline. If I can be of further assistance or answer any questions, please feel free to call.

Sincerely,

A handwritten signature in black ink, appearing to read "Douglas Domeracki". The signature is written in a cursive style and is positioned above the printed name and title.
